MOBILE FOOD PANTRY Distribution

SATURDAY, JULY 31, 2010

1:00PM

A FEEDING AMERICA WEST MICHIGAN (formerly Second Harvest) FOOD BANK TRUCK will be on the parking lot of Living Hope Community Church to provide an array of perishable and non-perishable products.

The goal is that every client household served by the distribution will receive about 50 lbs. of useful goods.

Clients walk around the truck like they would at a farmers' market, selecting the goods they would like.

FIRST COME, FIRST SERVED. . .
