"And all thy children shall be taught of the Lord, and great shall be the peace of thy children." Isaiah 54:13

## Sweet Peas

(Pre K & Kindergarten)

We enjoy sharing with the children the amazing power Jesus has by making the deaf and mute speak and hear and even over nature by walking on water! The disciples were straining against the winds and the Bible says that Jesus was about to pass them until they saw him walking on the water. They cried out for fear. But Jesus said, "Take courage. Don't be afraid." It is such an amazing and fascinating story. It was so much fun acting out. We then began teaching the children about the early church. The disciples were determined to share what they had seen and heard. We have had a great year and look forward to more wonderful lessons in the fall. Have an awesome summer.

## The Adventurers

(1<sup>ST</sup> & 2<sup>ND</sup> GRADE)

We have been learning about Paul, one of our first great missionaries this past month. We learned how his life was changed forever on the road to Damascus and about his many adventures to follow. Jesus said to go into all the world and preach the good news! Paul certainly was a great example of how we can share the love of Jesus in any circumstance.

It has been a great year in the Adventurers class and we pray for your children to have a safe and enjoyable summer!

## Rock Climbers

(3<sup>rd</sup>, 4<sup>th</sup>, and 5<sup>th</sup> grade)

This month, the Rock Climbers have been learning about Jesus and

his early life and ministry. We learned about Jesus as a child and how he resisted temptation by Satan in the desert. We also learned about Jesus' 12 disciples and how they followed Jesus when He called them to do so. Would we be willing to leave whatever we were doing immediately like the disciples did when Jesus called them to serve? That's a tough question, but the disciples didn't hesitate to follow. Our Bible memory this month was Matthew 10:2-4, which lists the names of the 12 disciples. "These are the names of the twelve apostles: first, Simon (who is called Peter) and his brother Andrew; James son of Zebedee, and his brother John; Philip and Bartholomew; Thomas and Matthew the tax collector; James son of Alphaeus, and Thaddaeus; Simon the Zealot and Judas Iscariot, who betrayed him."

We have had such a great year together and look forward to next year! We'll have lots of new and exciting things to learn and do, so we'll see you in September!

## ***High Velocity Youth***

***(High School)***

"Hey let's get out of here! This place has become a real drag." Yeah, I agree. Any place has to be better than this." This is the basic dialogue for the beginning of the Book of Exodus. Ever been asked to do something that someone else thought you could do, but you didn't believe in yourself? That's in Exodus too! Does the grass look greener on the other side of the river but the journey of getting there sometimes doesn't seem worth it? Well, you must be familiar with Exodus.

The Sr. High Sunday School class is now reading through the book of Exodus and applying these and many more timeless lessons to our

own lives. What would normally be a 40 day journey took 40 years for the Children of Isreal because it took that long to get the "Egypt" out of them. How much of Egypt is still in you? Will it take you years to learn a lesson that it should only take God a month to teach?

Pray that our minds will be fertile soil for the seeds of wisdom that God wants to plant in our lives as we read through this exciting book.

## **KIDS CHURCH**

During the month of June, the Zone Worship sessions will focus in on the worship song, "How Great is Our God", using Psalm 145:3; "Great is the Lord and most

worthy of praise; his greatness no one can fathom" as it's coordinating theme verse. We will explore the "greatness" of our universe....our galaxy and God's creation as a way to realize how "Great" God really is. If God can think of all that and still remember us and have a plan for us.....WOW.....that's pretty special - and "most worthy of praise!"
